Date	: <b>24-11-2025</b>
Timing	: <b>11 AM</b>

### NCORD/EAGLE Co-Ordinators

**Talari Balaji**

Lecturer in Chemistry

**Dr P Ravindranath Reddy**

Lecturer in Horticulture

## REPORT ON NASHA MUKTH BHARATH ABHIYAN

**Host Institution:** SVCR Govt. Degree College, Palamaner

**Chief Guest:** The Principal, SVCR GDC

**Participants:** All Lecturers and Students of SVCR GDC

**Objective:** To promote a drug-free India and sensitize the student community about the dangers of substance addiction.

### Introduction

In alignment with the national-level campaign "**Nasha Mukth Bharath Abhiyan**" (**Addiction-Free India Movement**), SVCR Govt. Degree College, Palamaner, organized a comprehensive awareness program. The event was designed to reinforce the commitment of the youth towards a healthy, productive, and drug-free lifestyle.

### Event Proceedings

#### 1. Presidential Address by the Principal

The program was presided over by the **Principal**, who highlighted that the strength of a nation lies in its youth. In their address, the Principal emphasized:

- **The Psychology of Addiction:** How peer pressure and curiosity often act as gateways to substance abuse.
- **Academic Excellence:** The direct correlation between a drug-free life and mental clarity, which is essential for student success.
- **Institutional Support:** A reminder that the college staff is always available for students seeking guidance or help for themselves or their peers.

#### 2. Faculty Contributions

Lecturers from various departments spoke about the socio-economic impacts of drug abuse. They discussed how addiction doesn't just destroy an individual, but collapses the financial and emotional stability of entire families. Faculty members urged students to become "Ambassadors of Change" within their own villages and neighborhoods.

#### 3. Student Participation & Interaction

The students of SVCR GDC actively participated in the discussion, sharing their views on how to resist negative social influences. The collective presence of all departments created a strong sense of solidarity and communal responsibility.

## The "Nasha Mukth" Pledge

The highlight of the event was the **Mass Pledge**, where the Principal, faculty, and students stood together to swear an oath to:

1. Remain drug-free throughout their lives.
2. Create awareness among the public about the ill effects of drugs.
3. Support the government's mission to make India a "Nasha Mukth" nation.

## Conclusion

The program concluded with the realization that awareness is the first step toward prevention. By involving the entire college ecosystem—from the administration to the student body—the event successfully fostered an environment of zero tolerance toward drug abuse. The SVCR GDC community left the hall with a renewed sense of purpose to uphold the dignity and health of the student fraternity.
